As the Group may at times be a regulated activity provider under safeguarding children legislation, it is unable to accept as members persons under the age of 18. However, members are welcome to bring their under-18 children to the Group's activities as long as they (the members) remain responsible for the safety of their children at all times.

Please note: In addition to this form, you need to complete the separate Data Protection Consent Form. First please read the Group's statement on how it will protect your personal information, which you can find on the website (www.cafg.net) under "Privacy Policy".

Annual subscriptions, currently £15.00 for individuals, £21.00 for families, are payable on joining and then from the AGM held in April each year.

Payment by BACS transfer is preferable and the Group's bank details are:

Cambridge Archaeology Field Group: sort code 60-04-41 a/c number: 54688310

Please email the treasurer at: john.waterhouse@gmx.co.uk to alert him to the payment. If you need to use a different method, again please email him.

Please complete, sign and send the form via email to cafgmemberships@gmail.com

(If you are unable to scan the signed form, a photo sent by email will be sufficient.)
